Ingus Linē

Ingus Linē is one of the main olive oil experts in Latvian market. In 2020 he created the webpage www.olivellas.lv that contains a lot of information about extra virgin olive oil and is the first specialized online olive oil shop in Latvia. In collaboration with the Faculty of Medicine of Rīga Stradiņš University he gives classes on olive oil to medical students and has published articles about the benefits of EVOO in Latvian journals.

AOVE Verde Divino

COMPANY: ACEITES MORAL S.L.

Quality of the oil: Extra Virgin Olive Oil

Origin: Jaén, Spain

Variety: Picual

Acidity: 0,17%

Harvest: October, November

Organoleptic properties:

Made with premium olives, which come from olive trees free of chemical fertilizers and pesticides, Verde Divino is rich in antioxidants and natural vitamins. Intense green fruity oil. It has aromas of fresh olive, olive leaf and grass, with hints of vegetables such as artichoke and tomato, and fruity notes of almond and apple. Verde Divino offers an excellent Extra Virgin Olive Oil in its different varieties: Picual, organic Picual, Arbequina and Royal. Produced and elaborated in the province of Jaén, a delight for the palate that will surprise you thanks to its intense flavour, colour and aroma. Their passion for the olive grove helps them have a total follow-up until the fruit is harvested, from the growth and development stages of the fruit to its state of health. Each crop is harvested in the months of October and November, at the optimum moment of ripeness thanks to early harvesting.

This variety comes from a 100% organic crop, cultivated and obtained in a way that is totally respectful of the environment and nature. A production carried out exclusively using the appropriate techniques and procedures to obtain this juice.

This oil counts with many awards, such as the Gold in London IOOC 2023, Gold in NYWorld 2023, Gold in Berlin GOOA 2023 or Silver in Ecotrama 2023. Additionally, it has also received honourable mentions from Terra Oleum Selección 2022 and Flos Olei 2022 as well as an award for best packaging from the World EVOO Competition 2023.

COMPANY: AGROALIMENTOS LA REDONDA S.L.

Quality of the oil: Extra Virgin Olive Oil

Origin: Zaragoza, Spain

Variety: Arbequina

Acidity: 0,1%

Harvest: Early October

Organoleptic properties:

Agus from Finca La Redonda Premium Extra Virgin Olive Oil is a limited edition from selected early harvest olive oil collected within the first days in October, very fruity and grassy, characteristic of the Arbequina olive with a very herbal and intense touch. It is a perfect match for pasta, light sauces, meats, baked fish and to eat raw on appetizers. It is notable for its medium high intensity and predominance of fruity notes over bitter and spicy ones.

Almazara Ecológica La Rioja is a family-owned olive oil company with their own olive grove and olive oil mill, with all their products being organic. They started their crops in 1996, and currently the company is managed by three brothers that oversee the whole process, from the farming of the olive trees to the packaging of their Ecological EVOO.

ISUL combines all the benefits that an EVOO should have for health, among which are its unique smell and flavour, demonstrated by the multiple awards obtained by it and the total absence of chemical residues harmful to our organism. This is achieved by cultivating olive groves using organic farming methods.

Another benefit of this oil is its great stability, that is to say, a long duration in time in perfect conditions, both in its tasting and in its analytical values.

This oil has received a plethora of awards, such as the Gold Medal in D.O.P – La Rioja for three consecutive years, Gold in BIOL – Italy, Gold in Mezquita Córdoba these last three years, Gold in Ecotrama Córdoba, and honourable mentions in ESAO Awards Valencia or Seleccionados Guía Internacional Flos Olei.

This is the first ecological oil mill in the province of Valladolid. It has a production capacity of around 74,000 litres of extra virgin olive oil per year, which means processing 450,000 kilos of olives, a figure that is reached with the full production of the 140 hectares of planted olive trees that Oliduro has. The olives used for the production of Oliduro and Palacio Testamentario oils come from different plots in Castilla y León, mainly from Valladolid and Zamora, from different varieties such as Arbequina, Picual and Arbosana.

This oil has won multiple awards and scores, such as:

- Gold CINVE
- Prestige Gold Terraolivo
- Silver Medal at the China International Organic Olive Oil Competition
- Great Mention L'Orciolo de Oro

Compañía Oleícola Siglo XXI S.L. is, nowadays, a reference in the Spanish gourmet market, due to their commitment to the development of products derived from Extra Virgin Olive Oil, a unique strategy for the moment in the market. Their flagship product, Extra Virgin Olive Oil, is aimed at the high-end catering market and specialised gourmet shops. Gourmet and cosmetics products are developed with Extra Virgin Olive Oil as a fundamental ingredient.

PRIMUM is a Premium Extra Virgin Olive Oil made from a selection of olives harvested by hand during the first days of the season. The olives are crushed in the mill within 24 hours of harvesting, cold pressed and naturally decanted. The annual production of PRIMUM Extra Virgin Olive Oil is limited, and the product is presented in an exclusive glass bottle inside an elegant wooden box. This makes it one of the best gourmet gifts for the most exquisite palates.

AOVE Encinas de Montequinto

COMPANY: EMILIO VALLEJO S.A.

Quality of the oil: Extra Virgin Olive Oil

Origin: Jaén, Spain

Variety: Picual

Acidity: ≤0,8%

Harvest: Early October

Organoleptic properties:

Encinas de Montequinto is real olive juice from Vallejo's own olives grove, located in the region of Jabalquinto (Jaén), where Spain's Picual is the most common variety. The Picual variety gives this oil great personality, high density and a high ranking in "green fruitiness", which can be appreciated in its taste, olive leaf, and its little pepperiness and bitterness which intensify when the fruit is unripe.

Hacienda Ortigosa is a family-run business that produces high-quality extra virgin olive oil by combining age-old olive-growing techniques with modern harvesting and processing systems. In an area of more than 270 hectares, they have more than 350.000 olive trees, exclusively of the Arbequina variety, from which it produces about 300.000 liters per year of an extremely high-quality golden yellow oil, being autonomous in all the stages of the production from collecting the olives to bottling of the oil.

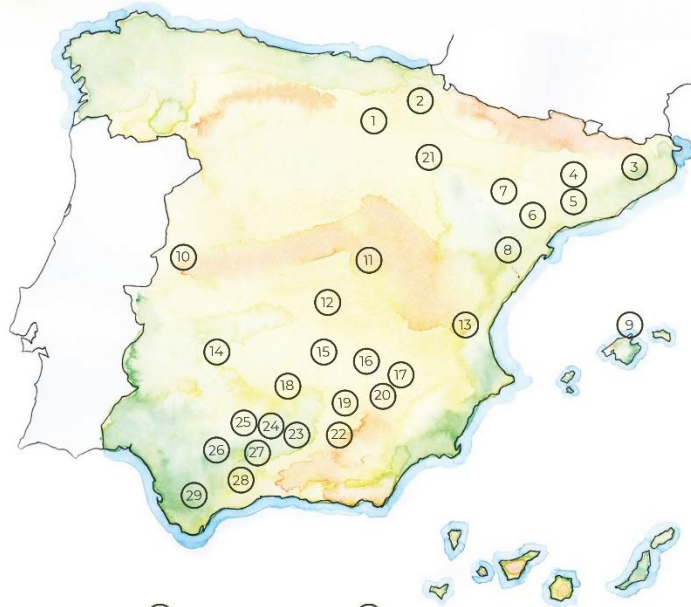

The company is known for its single variety extra virgin oil from the Arbequina olive. It is a select variety and is highly valued in the industry for its properties and characteristics. The flavour and aroma of the arbequina olive are unique; fashioned by nature, ripened by the sun. This oil is for lovers of exotic and sensory flavours.

This Extra Virgin Olive Oil has been recognized with different prestigious international awards, the last, the silver medal at the London Olive Oil Competitions – Quality Award.
