Welcome to the 14th Annual Wines from Spain Trade Fair

Dear wine lover,

The Spanish Embassy, through its Economic and Commercial Office, is delighted to celebrate the 14th anniversary of the “Wines from Spain” Fair.

Over the past fourteen years, the fair has become one of the most highly regarded wine events in the Irish wine trade calendar, with more than 200 professionals attending each year.

For the first time, the trade fair will take place at the Marker Hotel, an impressive hotel that offers both a great quality and an outstanding value for money, just as Spanish wines do. Along with this shift of scenario, we have reduced the cost of participation at the fair for exhibitors with the final objective of maximizing the number of wines on display.

This year, the fair will be offering more than 300 wines from a wide array of Spanish DOs (Denominación de Origen) & VTs (Vinos de la Tierra) regions.

As a special feature, we will showcase wines from the region of Navarra that currently have no distribution in Ireland.

Spain is currently one of the main wine exporters to Ireland and its presence is growing fast. Irish imports of Spanish wine increased by 25% in value in 2016, the highest rate among all wine exporters, the average increase being 7.9%. The Spanish Commercial Office of the Spanish Embassy is contributing to this impressive trend through promotional activities aimed at increasing the range and availability of Spanish wine. Last April, we organized the second Spanish Wine Week in Ireland, a set of seminars, tastings, promotions and offers that reached a considerable number of Irish consumers. We are committed to continue expanding the Spanish Wine Week over the coming years and would like to take this opportunity to invite the Irish trade to participate and benefit from it, as we believe it is the perfect complement to our professional fair.

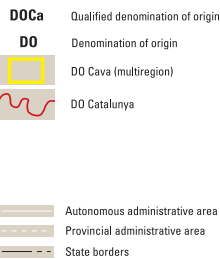

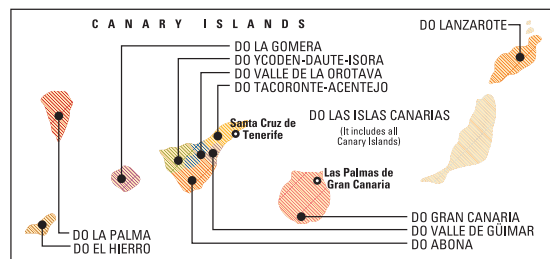

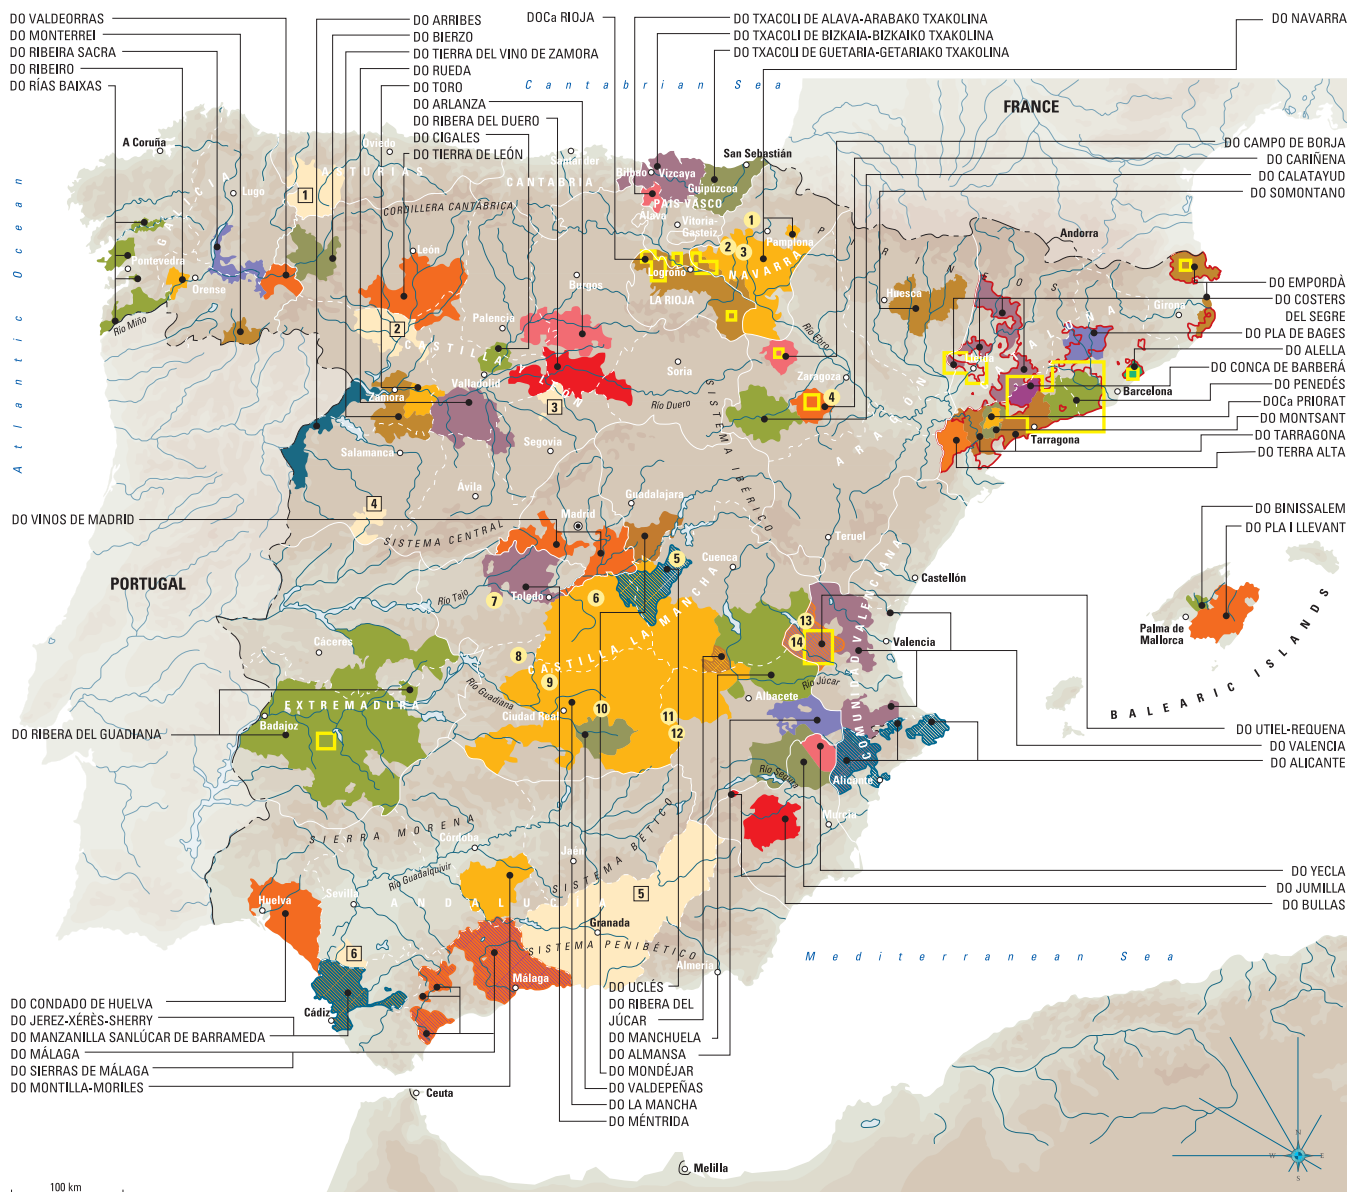

Finally, I would like to take this opportunity to thank all of you who are part of the wine community in Ireland for your dedicated support and passion for Spanish wines. It is your commitment to Spain and your love of Spanish wines that has made this possible. Thank you again to the Irish importers, press, wine shops, restaurants, supermarkets, and everyone that promotes Spanish wines in Ireland with their passion and wonderful work

Sláinte,

Javier Moral
