Preserves from Spain
More Than What You Think!

Chef's Challenge

Come join us and nibble on delicious Spanish snacks while two chefs battle it out at the Spain Food Nation Gastro Area kitchen stadium!

Each chef will receive a 3-ingredient mystery basket containing delicious preserves from Spain. They will also have access to a Spanish pantry for additional ingredients.

The chefs will have 15 minutes to create 3 different and exciting “pintxos” or small bites! ¡Olé!

Due to limited seating for this culinary presentation, please RSVP at losangeles@comercio.mineco.es.
