1. Bolster the shop's image and reputation
2. Promotion of their business via ICEX and the Cervantes Institute
3. Access to product training programs
4. Opportunity to attend gastronomic fairs in Spain
5. A chance to stand out from the competition
6. Possibility of accessing new markets and customers

WHO IS IT AIMED AT?

# WHO IS IT AIMED AT?

Both physical shops and online retailers are eligible to apply for the certificate if they have a certain minimum number of Spanish product references in their inventory. This includes large supermarkets, single-product establishments and franchises.

# PROCEDURE

The procedure involves meeting certain requirements under the principles of objectivity, truthfulness, transparency, flexibility and adaptability

# HOW DO I GET THE CERTIFICATE?

The shop must meet a series of criteria, assessed in five categories:

1. There must be Spanish products present
2. In-store visibility
3. Certification of origin
4. Background information that highlights the value of the product
5. Promotion of the product associated with the image of Spain

The shop must have at least 40 products on sale and score at least 60/100 points

# ASSESSMENT PROCESS

1.

Review of the application form, the supporting documents and visits to the shops

2.

External audit carried out by a third party

3.

Final decision by a certifying body
